I LOVE DALE BILLIPS

Crystal,

you are a great friend, and I'll never forget you. We have made it through many years together and hopefully will make it through many more. I know that we have had our bad times, but we always worked it out. I'm glad. Remember me "sweet" because that's the only way that I'll remember you. I hope that you have a nice Summer! Stay the same and never change. Oh I almost forgot to tell you to Party Hard!!! Which I know you will. Take care!

Love ya,
Terri

Crystal,

Hey there little gal!! You are a very good looking girl with a great personality. We've been good friends now for about 4 years & you get nicer & cooler every day. We've had a lot of fun over the years (especially at the fall festival & earlier this year when we "went together" HAHHA!!!) (Remember our thing)
Good luck as a sophomore next year & I hope I see you over the summer!!

I Love ya,
Dah

YOU ARE WHAT YOU EAT!

**the
Challenge**

From the atom to the sun... the universe pulsates with energy in many forms.

The challenge is to find ways... new ways... to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

The means — innovative technologies, exotic engineering, dynamic architecture — exciting advances that must come if man is to tap Nature's lode for the energies he needs.

From the smallest part of the universe to the largest... that's the scope of the energy field today. The opportunity for personal achievement is infinite; the challenge, one that must be met.

With Smokeless Tobacco, You Could Be His Spittin' Image.

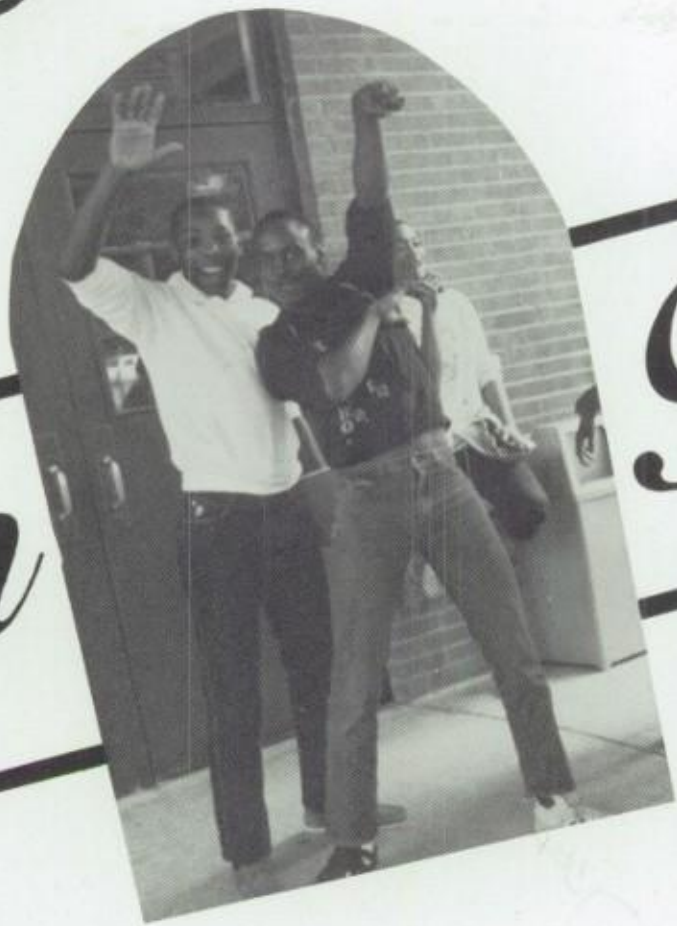

Why would anyone use smokeless tobacco? After all, there's evidence that smokeless can cause cancer. And cancer could claim your cheek. Your jaw. Maybe even your life. So before you have a dip or a chew, be sure to use your head. While it's still all there.

Don't Use Smokeless. Give Yourself The Chance Of A Lifetime.

Crystal,

Hey girl what's up to not much here! I'm just sitting here thinking about all the times we have had and how much I'm glad we are good friends. I'm happy that you have been there when I needed you, and all the happy times, the sad, the mad, and most of all the party times! When the summer comes we will have more of those times! I'm glad you introduced me to everyone! And got me out of all those "sames". I sure am better off. You know I really have enjoyed all the times, riding around and stuff with Dale! You and Dale have a great relationship and I hope it lasts a hell of a long time! Because, the way Dale talked, and the way you talk, it seems as if you and him were made for each other! And I'm sure glad he got someone as nice, and pretty as you! And I'm telling you Dale is a nice guy all the way around and he can be so sweet at times! But I'm really not telling you anything you already know! I hope someday you two get married it would be so "weird" to have my best friend as a sister-in-law! You got something good girl hold on to it. (I'm sure you would never lose him through)

As for me you know that I'm still head-over-heels with Corey Belcher! I don't know why but I am! He has really treated me bad at times. But at times he can be so nice, I guess he just lead me to believe he loved me. And then dropped me! But, I really don't know cause he dropped Nikki when I came back so I guess he cares enough (to drop a pretty girl, popular and having everything going for her) for me! See it very confusing! But I think it is well worth it! And, as far as my dad, I'm scared I really am! I'm scared he's going to die! And, he will never see me go to college! Like he has always wanted me to! But if he does there are 3 things I'll do for him 1) get my diploma 2) never cut my hair 3) go to college and be somebody! I promise him that! And I'll never go back on that! You know all (me & Dad) has never been really close but, the times I was with him I'll always remember! I love him alot. And if something ever happened to him I wouldn't know what to do! I don't think I could make it without a Daddy. And I know Dale couldn't either. But he has you and I don't have anybody but mommy & you! I guess! I have wrote alot and I still have more to say so go to page 179!
